

Nicholas Malzacher

WEB DEVELOPER

About Me

GitHub Portfolio: <https://malzacher.github.io/react-portfolio/>

I'm a passionate web developer and SEO specialist with experience crafting diverse websites and applications. From Shopify and WordPress to custom React and PHP projects, I bring creativity and technical expertise to every project. I thrive on building user-friendly, optimised solutions that not only look great but also perform exceptionally in driving results.

Academic Qualifications

RMIT University Bachelor of Information Technology, set to graduate in Semester 1 2023. **2018 – 2022**

Wesley College Melbourne Campus (VCE) **2008 – 2018**
In 2018 I successfully completed year 12 certificate, my subjects included English, Biology, Geography, Further Mathematics & Business Management.

Additional Academic Qualifications

Udemy Full Stack Development Course **2022**
I completed a Udemy course that teaches the ins and outs of full stack development and have learnt a great deal regarding HTML, CSS, and JavaScript as of current.

Udemy React (Next.js) Course **2024**
I am currently completing the 'React - The Complete Guide 2024 (including Next.js and Redux).' This course covers everything related to React and its best practices.

Work History

Clearwater Agency

MAR 2023 – CURRENT

Web Developer & Seo Specialist

I am an experienced SEO specialist and web developer with 2 years at Clearwater Agency, where I manage around 30 high-impact campaigns for a diverse range of clients, including large-scale brands. In a fast-paced environment, I have consistently delivered outstanding results, earning four SEO and web awards for my campaigns. My expertise spans a variety of platforms and frameworks, including Next.js, React, Shopify, WordPress, headless WooCommerce, and more. I thrive on challenges and am passionate about driving measurable growth through innovative digital strategies.

The Albion Rooftop Bar

DEC 2021 – MAR 2023

Bartender

My Responsibilities at The Albion currently include point of sales operation, cash handling, guest service, beverage serving and general bartending responsibilities

Movo Kitchen

JAN 2015 - FEB 2022

Web Developer

While working at Movo Kitchen, I developed and managed the restaurant's custom WordPress website, utilizing PHP and Advanced Custom Fields (ACF). In addition to my web development responsibilities, I simultaneously worked as front-of-house staff.

Sandbar beach Café and Bar

OCT 2020 - MAR 2021

Retail / Food and Beverage handling

My responsibilities while working at sandbar was general café work such as working a till, food and beverage waiting and general cocktail making.

APS Group

SEP 2019 - MAR 2020

Recruitment Consultant

In this position I worked doing rostering, shift rescheduling, termination, email updates and other general admin tasks.
